**1. Pre AGM**

Agreed that on 'top table' would be officers only not ordinary committee members.

Do we need more committee members?  
Meeting usually small and could do with some new faces.  
Committee can co-opt when necessary  
It was hoped residents of Evening Court would join committee

JM briefly summarized financial position confirming surplus of £558 which is £99 more than last year.

As JM is stepping down as Hon. Treasurer printing costs may rise as he was able to secure preferential rates.

JM will as usual ask for donations at the AGM

Agreed that although Christchurch has been kindly offered to us for free for this evening AGM BruNK should make a donation of £30.00

Officers to be elected are Treasurer and Vice Chair Sue Gordon Roe and Roger Chatterton have agreed to stand for these.

Meeting duties are fairly light with three per year as well as summer barbecue and Christmas drinks.

Agreed that committee should thank Joye Rosenstiel for her work over the years now she is retiring as a councillor.

Also agreed we should seek views from the floor about the new zebra crossing on Maid's Causeway.

On the congestion charge it was pointed out that the Committee on behalf of BruNK should not express any views.

## **2. CRC Housing Development**

The developers Berkeley Homes presented their plans on 4<sup>th</sup> February which contained 8 houses, 190 flats and 250 student rooms. The building will be 7 stories high including a penthouse and there will be up to 700 residents.

There will be another round of consultation.

Judith has received a copy of plans but they are subject to change.
